REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

None of the prior art taught or suggested the combined phosphors as claimed. The closest references showed up to two of the three phosphors, but no motivation was found to modify those references to give the claimed compositions.

As the claims have been determined to be allowable, the restriction presented in the previous office action has been withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kenneth A Parker whose telephone number is 571-272-2298. The examiner can normally be reached on M-F 10:30-6:00.
